SETTING THE DATE AND TIME

THE STELLA FELIX II IS EQUIPPED WITH A SCREW DOWN CROWN*, GIVING ADDED SECURITY TO THE WATER RESISTANCE AND PROTECTION OF THE MOVEMENT FROM DUST AND MOISTURE.

BEFORE SETTING THE DATE OR TIME, GENTLY TURN THE CROWN COUNTER-CLOCKWISE UNTIL YOU FEEL IT CLICK AND RELEASE. IN THIS POSITION (1) YOU CAN MANUALLY WIND THE MAINSPRING. PULL THE CROWN OUT TO POSITION 2 OR 3 TO SET.

*IT IS VERY IMPORTANT TO COMPLETELY SCREW THE CROWN BACK DOWN AFTER SETTING. FAILURE TO DO SO CAN RESULT IN YOU SEVERELY DAMAGING THE WATCH.

SETTING THE DATE

IT IS RECOMMENDED YOU DO NOT CHANGE THE DATE BETWEEN 10 PM AND 2 AM. THIS IS WHEN THE MOVEMENT IS IN POSITION TO CARRY OUT THE AUTOMATIC DATE CHANGE.

PULL THE CROWN OUT TO POSITION 2. TURN THE CROWN CLOCKWISE TO SET THE DATE.

SETTING THE TIME

PULL THE CROWN OUT TO POSITION 3. TURN THE CROWN COUNTER-CLOCKWISE TO SET THE HOUR AND MINUTE HANDS. IF NECESSARY TURN THE CROWN OVER 12H IN ORDER TO KNOW IF YOU ARE IN AM/PM MODE. RETURN THE CROWN TO POSITION 1. WHILE GENTLY PUSHING THE CROWN IN, TURN CLOCKWISE UNTIL IT IS COMPLETELY SCREWED BACK DOWN.

WINDING

YOU CAN MANUALLY WIND THE MAINSPRING IN POSITION 1. AFTER UNSCREWING THE CROWN, TURN THE CROWN CLOCKWISE FOR ABOUT 20 ROTATIONS OR UNTIL YOU FEEL SOME RESISTANCE. YOUR WATCH WILL BE FULLY WOUND.

BE SURE TO ALWAYS RETURN YOUR CROWN TO THE SCREW DOWN POSITION AFTER WINDING OR SETTING.

WATER RESISTANCE

STELLA TIMEPIECES ARE WATER RESISTANT TO 100 METERS WHICH MEANS THEY ARE SUITABLE FOR MOST WATER SPORTS OF DEPTHS UP TO THIS RATING.

IMPORTANT! BEFORE USING YOUR TIMEPIECE IN OR NEAR WATER, BE SURE YOUR CROWN IS COMPLETELY SCREWED DOWN.

WE RECOMMEND ONLY HAVING YOUR CASEBACK OPENED BY A PROFESSIONAL REPAIR SERVICE AS INCORRECT HANDLING CAN DAMAGE YOUR SEALS AND DECREASE THE WATER RESISTANCE. THESE SEALS CAN ALSO DETERIORATE OVER TIME AND IT IS SUGGESTED TO HAVE THEM CHANGED REGULARLY*. DO NOT TAKE YOUR TIMEPIECE IN A HOT TUB OR SAUNA AS EXTREME HEAT MAY ALSO CAUSE A LOSS OF WATER RESISTANCE.

*SHOULD YOUR WATCH EVER NEED SERVICING, WE RECOMMEND USING ONLY A PROFESSIONAL SERVICE CENTER OF YOUR CHOICE, OR YOU MAY CONTACT US AT INFO@STELLAWATCH.COM AND WE WILL ADVISE OUR SERVICING PROCEDURE.

CARE

STELLA WATCHES ARE MEANT TO BE WORN AND ENJOYED. WE RECOMMEND OCCASIONAL CARE TO KEEP YOUR TIMEPIECE LOOKING BRIGHT AND NEW. USE A MICROFIBER POLISHING CLOTH ON A REGULAR BASIS TO REMOVE SMUDGES AND OILS FROM YOUR CASE AND SAPPHIRE CRYSTAL. FOR ANY FURTHER CLEANING, PLEASE REMOVE YOUR STRAP AND BE SURE THE CROWN IS COMPLETELY SCREWED DOWN.

TO CLEAN YOUR WATCH

WITH THE STRAP REMOVED AND THE CROWN SCREWED DOWN, USE A CLEAN DAMP CLOTH AND GENTLY WIPE OFF ANY DIRT. YOUR WATCH IS WATER RESISTANT UP TO 100 METERS SO IF NECESSARY, RUN YOUR WATCH UNDER WARM WATER WHILE WIPING WITH YOUR CLOTH. DO NOT USE ABRASIVES OR CHEMICALS TO CLEAN YOUR WATCH AS THEY WILL HARM THE SURFACES. GENTLY DRY WITH A CLEAN SOFT CLOTH AND RE-ATTACH YOUR STRAPS.

IF YOUR WATCH IS EXPOSED TO SALT WATER, RINSE IMMEDIATELY AFTER WITH FRESH WATER AND WIPE DRY.

TO CLEAN YOUR STRAPS

STELLA STRAPS ARE MADE FROM THE HIGHEST QUALITY ITALIAN LEATHERS. SOME STRAPS MAY SHOW MARKINGS THAT ARE INHERENT TO THE HIDE AND ARE CONSIDERED THE UNIQUE BEAUTY OF THE MATERIALS, NOT IMPERFECTIONS. THESE LEATHERS WILL IMPROVE WITH WEAR, DEVELOPING A RICH PATINA OVER TIME.

ALTHOUGH WATER WILL NOT DAMAGE YOUR STRAP, IT IS RECOMMENDED YOU DO NOT EXPOSE THEM TO PROLONGED SALT OR CHEMICALLY ALTERED WATER.

USE A SOFT CLOTH TO GENTLY WIPE ANY DEBRIS FROM YOUR STRAPS. WE RECOMMEND OCCASIONALLY USING A LEATHER CONDITIONING CREAM TO HYDRATE AND PROTECT YOUR STRAPS. CREAMS MAY CAUSE THE LEATHER TO DARKEN SO IT IS RECOMMENDED TO TRY A SMALL AREA FIRST TO SEE THE EFFECT.

EVEN WITH REGULAR CARE AND CLEANING A LEATHER STRAP WILL EVENTUALLY BECOME WORN. SOME MAY FIND THIS MORE ATTRACTIVE BUT IF NECESSARY, YOU MAY CHANGE YOUR STRAP EASILY WITH THE QUICK RELEASE FEATURE.

TO CLEAN YOUR STELLA BRACELET

WHILE THE BRACELET IS ATTACHED TO YOUR WATCH CASE, USE A SOFT CLOTH TO GENTLY WIPE ANY DIRT OR DEBRIS. FOR FURTHER CLEANING, WE RECOMMEND USING THE QUICK RELEASE PINS TO REMOVE THE BRACELET FROM YOUR WATCH.

PREPARE A MIXTURE OF WARM WATER AND A FEW DROPS OF A MILD DISH SOAP. DIP YOUR BRACELET IN THE WATER WHILE USING A SOFT CLOTH TO WIPE IT DOWN. IF NECESSARY YOU MAY USE A SOFT TOOTHBRUSH TO REACH BETWEEN THE LINKS. WHEN CLEAN, RINSE THE BRACELET IN WARM WATER AND WIPE DRY WITH A CLEAN SOFT MICROFIBER CLOTH.

DO NOT USE HARSH CHEMICALS OR ABRASIVES TO CLEAN YOUR WATCH AS THIS WILL DAMAGE THE METAL.

WARRANTY

STELLA WATCHES CARRY A TWO YEAR WARRANTY FROM THE ORIGINAL DATE OF PURCHASE. THIS WARRANTY COVERS ANY DEFECTS IN MATERIALS OR WORKMANSHIP UNDER NORMAL USE. IT IS HIGHLY RECOMMENDED THAT YOU HAVE YOUR WATCH SERVICED BY A REPUTABLE AND EXPERIENCED SERVICE AGENCY EVERY FEW YEARS TO KEEP IT FUNCTIONING AT ITS MAXIMUM CAPACITY.

EXCLUDED FROM WARRANTY COVERAGE IS ANY DAMAGE TO THE BAND, CRYSTAL, OR ANY OTHER PART OF THE TIMEPIECE NOT EXPRESSLY WARRANTIED HEREIN, AS WELL AS DAMAGE CAUSED BY ABNORMAL OR UNREASONABLE USE.

IF YOU DO NOT HAVE A REPUTABLE SERVICE CENTER NEAR YOU, PLEASE CONTACT US AT INFO@STELLAWATCH.COM AND WE CAN RECOMMEND ONE TO YOU.

FOR ANY FURTHER INFORMATION, PLEASE CONTACT US AT INFO@STELLAWATCH.COM AND WE WILL BE HAPPY TO ANSWER ANY QUESTIONS.
